1. Yes. However I am not impaired now and my previous alcohol and substance abuse will not impair my ability to perform the essential functions of my license.

I sought counseling, intensive inpatient treatment, and subsequent outpatient treatment and monitoring for addiction. In October 2008, I sought outpatient treatment with Dr. Michael Levy. While the program helped me stop using my drug of choice, I was still using other drugs and alcohol. Since then, I have taken many measures to ensure sobriety. Beginning in February 2009, I participated in a five-week inpatient program under the care of Dr. Melvin Pohl, Medical Director of the Las Vegas Recovery Center (LVRC). At the conclusion of the LVRC inpatient program, I continued to participate in an outpatient program for 18 three-hour sessions and five individual one-hour sessions as well as attending regular 12-step meetings. In addition, I participated in a 5-day evaluation at Marworth in Pennsylvania to assess my recovery. The Marworth multi-disciplinary team confirmed that I did not need further inpatient treatment. I am currently a participant in good standing, in a diversion program administered by Mr. Larry Espadero, Director of Addictive Disease, Monte Vista Hospital. This PRN-PRN Program provides counseling, treatment and monitoring, and has been approved by the Nevada State Board of Osteopathic Medicine. I have been compliant with the diversion program requirements. This is a five-year commitment. My last date of any drug or alcohol use was 2/12/08.

2. Yes. On October 21, 2008, while under the influence of a drug, I was arrested for domestic violence, a misdemeanor. I was convicted of Domestic Battery. This was a completely isolated incident. On January 29, 2009 I was arrested for misdemeanor driving under the influence. On July 30, 2009 I was convicted of the DUI. Since that time I have completed all of the sanctions imposed upon me regarding these convictions. Please see enclosed letters from the court indicating my completion of the imposed sentences.

3. Yes. On July 27, 2009, I voluntarily placed my Nevada Medical license #1113 into "Inactive" status. On October 5, 2009, my request to go from inactive to active Status was denied by the Nevada State Board of Osteopathic Medicine. Subsequently, on December 8, 2009 my Nevada license #1113 was granted active status by the above said medical board. In addition, on that same day, December 8, 2009 the Nevada State Board of Osteopathic Medicine issued me a letter of reprimand for Unprofessional Conduct. Specifically, I was issued this letter of reprimand for falsely answering no on a question of my 2009 renewal application when the answer was in fact yes. Please see the enclosed Settlement agreement with the Nevada Board of Osteopathic Medicine.

4. Yes. My Michigan medical license was temporarily suspended due to the exact same circumstances that occurred in Nevada. I have not practiced medicine in Michigan, nor do I have a current active license to practice in Michigan. All of my transgressions occurred in Nevada. However because I am licensed in Michigan the Department of Community Health, Board of Osteopathic Medicine and Surgery still

followed suit with discipline due to my actions in Nevada. Since that time, the suspension has been lifted. The Michigan Department of Community Health has issued a consent order (please see enclosed consent order) that has placed me on probation until 6/8/14.

2. This is an explanation regarding the dispensing site. I have spoken multiple times with Carolyn Cramer regarding my intentions and plans for a dispensing license. My attorney, Maria Nutile is composing a contract for this venture but it is not yet complete. I have a solo medical practice. I wholly own the practice. I will be seeing some patients from the "Bouari Clinic", formally known as "A New Me". The records for the patients that I see are mine and belong to my medical practice. No one will have access to controlled substances or dangerous drugs except myself and an RN who I wish to train to perform prescription dispensing functions.

SETTLEMENT AGREEMENT & ORDER

I. PARTIES

This Settlement Agreement ("Agreement") is made by and between the Nevada State Board of Osteopathic Medicine ("the Board") through their Counsel and Executive Director, Dianna Hegeduis, Esq., Investigating Board Member, Daniel Curtis, D.O., and Ryan Mitchell, D.O. ("Physician") through his counsel, Maria Nutile, Esq., (collectively referred to as "the Parties").

II. RECITALS

As a preamble to this Agreement, the Parties agree to the following:

- A. A.WHEREAS, the Physician has engaged in certain conduct that resulted in criminal charges being filed against him in Henderson, Nevada, once in 2008 and once in 2009. All such criminal charges have since been resolved. In renewing his license for the calendar year 2009, Physician responded "no" to certain questions regarding any investigations conducted of him by various entities, when in fact there had been an investigation
- C. WHEREAS, the Parties understand that this Agreement will be signed by the respective parties and will then be offered to the Board for the entire Board's approval at the next Board meeting, with the recommendation of Board Counsel that this Agreement be approved with such modifications as the Board and Physician mutually agree. The Agreement shall become effective the date it has been approved by the Board.
- D NRS 633.131(1) defines "unprofessional conduct" as including "willfully making a false . . . statement . . . in applying for a license to practice osteopathic medicine or in applying for renewal of a license to practice osteopathic medicine." Pursuant to NRS 633.511(1), "unprofessional conduct" is a ground for initiating a formal disciplinary proceeding; and

- 1 pursuant to NRS 633.651, such discipline may include public reprimands, the suspension
2 of the license to practice osteopathic medicine in the State of Nevada, and even the
3 revocation of the license to practice osteopathic medicine in the State of Nevada.
- 4 E. NAC 633.350 (9) states that "a licensee engages in unethical conduct if he . . . engages in
5 any other conduct that the Board determines constitutes [an] unfitness to practice
6 osteopathic medicine."
- 7 F. NRS 622.400(1) states that a "regulatory body [such as this Board] may recover from a
8 person reasonable attorney's fees and costs that are incurred by the regulatory body as
9 part of its investigative, administrative and disciplinary proceedings against the person if
10 the regulatory body" either enters a final order or enters into a settlement agreement.
- 11 G. WHEREAS, the parties have agreed to settle this matter, rather than requiring the Board
12 to file a formal disciplinary complaint regarding the inaccurate/incomplete application for
13 renewal.
- 14 H. WHEREAS, the parties understand that this Agreement will be signed by the respective
15 parties and will then be offered to the Board for the entire Board's approval at the next
16 Board meeting, with the recommendation of the Investigating Board Member that this
17 matter be settled. The Agreement shall not become effective until it has been approved
18 by a majority of the Board and endorsed by a representative member of the Board.
- 19 I. WHEREAS, the Physician understands that the Board is free to accept or reject this
20 Agreement and, if rejected by the Board, a formal disciplinary complaint will be filed and
21 a hearing scheduled on the same. The Board members who review this matter for
22 approval of this Agreement may be the same members who ultimately hear the
23 disciplinary complaint if this Agreement is not approved by the Board. Physician hereby
24 agrees to waive any rights he might have to challenge the impartiality of the Board to
25 hear the disciplinary complaint, based on prior knowledge obtained by the Board through
26 consideration of this Agreement, if after review by the Board, this Agreement is rejected.
27 Furthermore, if the Board does not accept the Agreement, it shall be regarded as null and
28 void.

- 1 J. WHEREAS, Physician acknowledges that the Board will retain jurisdiction over this
2 matter until all terms and conditions set forth in this Agreement and Order have been met
3 to the satisfaction of the Board.
- 4 K. WHEREAS, Physician acknowledges that the Board had a reasonable basis to believe
5 that the statutes and/or regulations regulating the practice of osteopathic medicine in the
6 State of Nevada may have been violated.
- 7 L. WHEREAS, in order to resolve the matter prior to it becoming a disciplinary proceeding
8 and to save further costs and expenses, Physician has elected to enter into this Agreement
9 to resolve this matter, and this matter only.
- 10 M. WHEREAS, Physician acknowledges that once accepted by the Board, this Agreement
11 and all associated documentation become a matter of public record.
- 12 N. WHEREAS, Physician has had the opportunity to obtain the advice from competent
13 counsel of his choice concerning the terms and conditions of this Agreement and the
14 execution thereof. No coercion has been exerted upon Physician, nor have any promises
15 been made other than those reflected in this Agreement. Physician freely and voluntarily
16 entered into this agreement, motivated only by a desire to resolve the issues addressed
17 herein. Physician has executed this Agreement only after a careful reading of it and a full
18 understanding of all its terms.
- 19 O. WHEREAS, Physician is fully aware of his rights to contest the charges pending against
20 him. These rights include: representation by an attorney at his own expense, the right to a
21 public hearing on any charges or allegations filed, the right to confront and cross-examine
22 witnesses called to testify against him, the right to present evidence on his own behalf,
23 the right to compulsory process to secure the attendance of such witnesses, the right to
24 testify on his own behalf, the right to receive written findings of fact and conclusions of
25 law supporting the decision on the merits of the complaint and the right to obtain judicial
26 review of the Board's decision. Should the Board accept this Agreement, Physician
27 voluntarily waives these rights.
- 28

- 1 P. WHEREAS, this Agreement and Order shall be construed in accordance with the laws of
2 the State of Nevada.
- 3 Q. WHEREAS, this Agreement and Order contains a complete description of the agreement
4 between the parties and it supersedes any previous agreements between the parties. All
5 material representations, understandings and promises of the parties are contained in this
6 Agreement. Any modifications must be set forth in writing, signed by all the parties, and
7 approved by the Board.

8 **III. TERMS OF THE AGREEMENT**

- 9 A. Physician acknowledges that violating NRS 633.131(1)(a), NRS 633.131(1)(h), and NAC
10 633.350(9) is grounds for discipline. The parties have agreed to resolve this matter
11 without the necessity of filing a formal disciplinary complaint by entering into this
12 Agreement. In exchange for the Board not pursuing an administrative action and
13 Physician not pursuing subsequent reviews by the appropriate appellate Courts, the
14 parties have agreed to resolve the current matter, and only this matter. Physician will
15 henceforth insure that all matters involving him will be timely and accurately reported to
16 the Board, and the failure to do so may result in the Board bringing a disciplinary action
17 against the osteopathic medical license issued by the Board to Dr. Mitchell.
- 18 B. The Board will issue to the Physician a letter of public reprimand in the form attached,
19 for violation of NRS 633.131(1)(a) and NRS 633.511(14) for willfully making a false or
20 fraudulent statement in applying for renewal of a license to practice osteopathic
21 medicine.
- 22 C. Physician agrees to pay the sum of \$15,600 Dollars (\$15,600⁰⁰) as the fine imposed for
23 having violated certain provisions of NRS and NAC chapters 633. This sum includes all
24 fees and costs incurred by the Board up to and including the approval of this Settlement
25 Agreement by the Board at its next scheduled Board meeting. Physician shall pay this
26 amount in 18 monthly installments of \$ 833³³, commencing one year from the date
27 of the Board's approval of this Agreement.
- 28

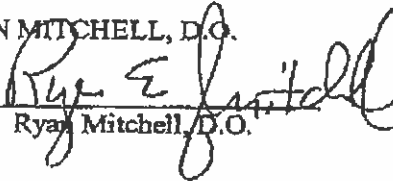

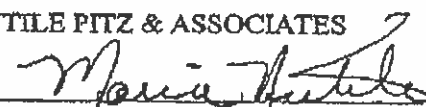

- 1 D. Should the Physician fail to satisfy and pay the indebtedness in a timely manner as
2 discussed herein, Physician understands and agrees that he will be considered in default
3 of this Agreement, and this Agreement will be null and void, with the Respondent
4 receiving credit for payments made to date. The Board may take whatever action it
5 deems appropriate, including but not limited to reducing the balance to judgment
6 pursuant to NRS chapter 353C.
- 7 E. The Physician agrees to bear his own fees and costs, including the fees and expenses of
8 his own attorney(s) if applicable.
- 9 F. This Agreement and Order shall inure to the benefit of and be binding upon each of the
10 parties hereto and their respective heirs, personal representatives, assigns and successors
11 in interest of each party.
- 12 G. This Agreement and Order shall be construed in accordance with the laws of the State of
13 Nevada.
- 14 H. This Agreement consists of eight (8) pages and embodies the entire agreement between
15 the Board and the osteopathic physician. It may not be altered, amended or modified
16 without the express consent of the parties, and any subsequent alteration, amendment, or
17 modification shall be in writing and subject to approval by the Board.
- 18 I. In consideration for the execution of this Agreement, Physician hereby releases and
19 forever discharges the State of Nevada, the Board of Osteopathic Medicine, and the
20 Nevada State Attorney General's Office (as counsel for the Board), and each of their
21 representatives, investigators, and employees, in their individual and representative
22 capacity (collectively the State of Nevada Agencies) from any and all manner of actions,
23 causes of actions, suits, debts, judgments, executions, claims, and demands whatsoever
24 known or unknown, in law and in equity, that he may have had, now has, may have had,
25 or claim to have against any and all of the persons and entities named in this paragraph
26 arising out of, or by reason of, the investigation of the allegations raised in this matter.
- 27 J. Physician, for himself, his heirs, executors, administrators, successors and assigns, hereby
28 indemnifies and holds harmless the State of Nevada, the Nevada State Board of

Complaint No. 51-09-114191

CONSENT ORDER AND STIPULATION

CONSENT ORDER

An administrative complaint was filed with the Disciplinary Subcommittee of the Board of Osteopathic Medicine and Surgery on February 2, 2010, charging Ryan Eric Mitchell, D.O. (Respondent) with having violated sections 16221(a), (b)(ii), (b)(iii), (b)(v), (b)(x) and (b)(xi) of the Public Health Code, 1978 PA 368, as amended, MCL 333.1101 *et seq.*

Based on Respondent's convictions alleged in the administrative complaint and pursuant to section 16233(5) of the Public Health Code, the Michigan Department of Community Health (Department) summarily suspended Respondent's license to practice osteopathic medicine and surgery by order dated February 2, 2010. Based on the parties' stipulation, the administrative hearing officer entered an order dissolving summary suspension on April 15, 2010.

The parties have stipulated that the Disciplinary Subcommittee may enter this consent order. The Disciplinary Subcommittee has reviewed the stipulation contained in this document and agrees that the public interest is best served by resolution of the outstanding complaint. Therefore, the Disciplinary Subcommittee finds that the allegations of fact contained in the

complaint are true and that Respondent has violated sections 16221(a), (b)(ii), (b)(iii), (b)(v), (b)(x) and (b)(xi) of the Public Health Code.

Accordingly, for these violations, IT IS ORDERED:

Respondent shall be placed on PROBATION commencing on the effective date of this order. Respondent shall be automatically discharged from probation on June 8, 2014, provided he has complied with the terms of this order. The conditions of probation are as follows:

- A. The Settlement Agreement and Order of the Board (Exhibit A) and the Remediation Agreement and Order of the Board (Exhibit B), both of which were entered by the Nevada State Board of Osteopathic Medicine (Nevada Board) on December 8, 2009 (Nevada Board Orders), are incorporated by reference as if fully set forth here. Respondent shall comply with the terms of the Nevada Board Orders.
- B. Respondent shall document his compliance with the Nevada Board's Orders at six month intervals. He shall file the first documentation six months from the effective date of this Order, and subsequent reports at six-month intervals until he is discharged from probation by this Board or the Nevada Board.
- C. Respondent shall immediately report in writing to the Department any change in status of his osteopathic license in Nevada.
- D. If during the period of probation Respondent seeks to return to Michigan for the purpose of residing here, Respondent shall notify the Department at least 60 days in advance. Upon return to the state of Michigan, the Department shall monitor Respondent's probation.

Any violation of the Public Health Code by Respondent during the period of probation shall be deemed a violation of probation and constitute grounds for further disciplinary action.

Respondent shall direct any communications to the Department that are required by the terms of this order to: Sanction Monitoring Unit, Bureau of Health Professions, Department of Community Health, P.O. Box 30670, Lansing, Michigan 48909.

Respondent shall be responsible for the timely compliance with the terms of this consent order, including the timely filing of any documentation. Failure to comply within the time limitations provided will constitute a violation of this order.

If Respondent violates any term or condition set forth in this order, Respondent will be in violation of 1996 AACRS, R 338.1632, and section 16221(h) of the Public Health Code.

Signed on 6.1., 2010

By Kathleen Carney
Chairperson, Disciplinary Subcommittee

STIPULATION

The parties stipulate as follows:

1. Respondent does not contest the allegations of fact and law in the complaint. Respondent understands that, by pleading no contest, he does not admit the truth of the allegations but agrees that the Disciplinary Subcommittee may treat the allegations as true for resolution of the complaint and may enter an order treating the allegations as true.

2. Respondent understands and intends that, by signing this stipulation, he is waiving the right under the Public Health Code, rules promulgated under the Public Health Code, and the Administrative Procedures Act of 1969, 1969 PA 306, as amended, MCL 24.201 *et seq*, to require the Department to prove the charges set forth in the complaint by presentation of evidence and legal authority, and to present a defense to the charges before the Disciplinary Subcommittee or its authorized representative. Should the Disciplinary Subcommittee reject the proposed consent order, the parties reserve the right to proceed to hearing.

3. The Disciplinary Subcommittee may enter the above consent order, supported by Board conferee Steven A. Acker, D.O. Dr. Acker or an attorney from the Licensing and Regulation Division may discuss this matter with the Disciplinary Subcommittee in order to recommend acceptance of this resolution.

4. Dr. Acker and the parties considered the following factors in reaching this agreement:

A. Respondent has completed all requirements of the Henderson Municipal Court regarding his charge of Domestic Battery outlined in the administrative complaint.

B. Respondent has completed his sentencing requirements of attending a DUI Victim Impact Panel and Driving Under the Influence School for his charge of DUI, which occurred on January 29, 2009.

C. On June 8, 2009, Respondent entered into a 5-year participation contract with the Professional Recovery Network (Exhibit C), which is administered by the Director of Addictive Disease at Montevista Hospital in Las Vegas, Nevada. This program provides monthly status reports to the Nevada Board regarding Respondent's progress, participation, and drug monitoring status. Since entering the contract, Respondent has complied with its terms.

D. Respondent must comply with the terms of the Nevada Board Orders, in order to continue to practice in the State of Nevada.

E. Respondent does not intend to return to the State of Michigan to practice at the present time.

By signing this stipulation, the parties confirm that they have read, understand and agree with the terms of the consent order.
