WORKPLACE ASSESSMENT TOOL

For the week of January 14, 2019 through January 20, 2019, please provide the following information:

PERSONNEL ANALYSIS

<table>
<thead>
<tr>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Total Pharmacist Hours</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Total Technician Hours</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Total Clerk Hours</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>

SUGGESTIONS FOR IMPROVEMENT OR COMPLIANCE

If the workflow of your pharmacy could be improved, what would your suggestions be?

_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________

Are you and all of your other pharmacists counseling every patient for whom counseling is required or would be advisable? If not, what suggestions would you make to improve your pharmacy’s compliance with the counseling requirements?

_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________

Do you have any other suggestions that would improve the efficiency and safety of your pharmacy?
