

## NEVADA STATE BOARD OF PHARMACY

985 Damonte Ranch Parkway, Suite 206 - Reno, NV 89521 - (775) 850-1440

### **Ambulatory Surgical Center OR Recovery Room Center Inspection: Instruction Sheet and Form**

(Revised 1/2022)

The NVBOP's established self-assessment inspection process provides management the opportunity to review the standards by which the board inspects your operation. The process recognizes you as the responsible person to implement and review policies and procedures necessary to provide a quality standard of pharmaceutical services.

**Please have the self-assessment form completed and available for review by the first day of the month listed on your inspection notice. An inspector will review the form with you and inspect your facility during the month listed on your inspection notice.**

**To minimize any disruption to your facility during the inspection process please have the following available:**

1. Completed inspection form along with prior year inspection form
2. Pharmacist Consultant Contract
3. NVBOP Registration
4. Completed DEA-222 forms or CSOS documents
5. Completed DEA-41 forms (if applicable)
6. Completed DEA-106 forms (if applicable)
7. Policies and Procedures related to pharmacy operations
8. Controlled substance records
9. Monthly pharmacist consultant audit/inspection reports
