ACPE-accredited continuing education topics include diabetes pharmacotherapy, opiate/opioid toxicology, outpatient infectious disease, anticoagulation, drug information, and COPD. Three hours of technician-specific education plus Nevada Pharmacy Law will also be available. For a detailed agenda and to register, visit [www.nvshp.org](http://www.nvshp.org).

**Target audience:** pharmacists wishing to stay abreast of current topics relevant to health-system pharmacy. Documentation of in-service hours will be available for technicians, however ACPE-accredited continuing education will only be made available to pharmacists.

To register, visit [www.nvshp.org](http://www.nvshp.org), and pay by credit card through our secure registration site. NVSHP members receive discounted registration. You will need your NABP e-Profile ID number to register for this event. If you need to make alternative payment arrangements or if you have any questions about your registration, please contact Stephanie Nesi at 801-878-1116 ([snesi@roseman.edu](mailto:snesi@roseman.edu)).

Statements of credit will be emailed to the participants within 30 days of the event. At the same time, ACPE will be notified of your participation. Registration for MyCPE Monitor is required to participate in this event.

No onsite registrations will be accepted. A block of guest rooms will be available at the John Ascuaga's Nugget for meeting attendees (Code: GNVSHHP). Earlybird discounted registration will be available until September 13, 2013. Registration will close on October 1, 2013.

The Nevada Society of Health-Systems Pharmacists (NVSHHP) is excited to announce the launch of its new website ([www.nvshp.org](http://www.nvshp.org)), which features an improved homepage design, cleaner layout of page content, and an intuitive and consistent site-wide navigation system. Please take to opportunity to join or renew your membership online through the secure area of our website and begin to enjoy the rewards of being a member in the professional association for health-system pharmacists practicing in Nevada.

NVSHHP ensures that the unique needs of its constituents are heard and addressed. We will advocate for local issues in NV and through our affiliation with ASHP we have a voice on national issues as well. Participate in the professional development sessions, networking opportunities and educational events t NVSHHP provides its members which are essential in succeeding as a health-system pharmacist. New graduates to seasoned pharmacists may take advantage of the many opportunities to become more involved with the NVSHHP by volunteering your time and talents in a leadership role in our organization.

Feel free to contact us at [nvshp@nvshp.org](mailto:nvshp@nvshp.org) with any questions or suggestions on how to better serve you. We look forward to your membership and the opportunity to exceed your expectations.
