

PHARMACEUTICAL DIVERSION AND FRAUD

Presented by: **Mike Salerno, Detective, Reno Police Department**

S. Paul Edwards, General Counsel, Nevada State Board of Pharmacy

**Law CE for pharmacists and pharmacy technicians through the State of Nevada Board of Pharmacy*

This course will address the growing issue of pharmaceutical diversion and abuse, and help the pharmacist and pharmacy tech understand his/her role in the prevention of this problem.

WHEN: Thursday October 23rd, 2014 6:30 - 8:30 p.m.

WHERE: Regional Public Safety Training Center, Rm. 105
5190 Spectrum Blvd. Reno, NV 89512

TOPICS INCLUDE:

- Case studies from local prescription fraud and diversion cases
- Procedures during the identification and investigation of fraudulent prescription activity
- Recommendations to prevent prescription fraud and diversion
- Techniques to become a good witness and protect your patients, employees and yourself during stressful situations such as: robberies, burglaries, forged/altered prescriptions, and fraudulent call in prescriptions
- Highlights of the prescription drug abuse epidemic
- Discussion of tools available to prescribers and dispensers to combat prescription drug abuse.
- Recommendations to prevent prescription fraud and diversion
- Regulatory update - including new (pending) identification regulation, and updated schedules (tramadol and hydrocodone)
- Preparing for a Board of Pharmacy inspection
