Re: CEASE AND DESIST ORDER WITH CITATION FOR UNLICENSED PRESCRIBING

Dear Ms. Emerson:

As you know, the Nevada State Board of Pharmacy (Board) is aware that you, for a time, were prescribing controlled substances for Nevada patients without a Controlled Substance Registration. Under Nevada law, specifically NRS 453.226, a practitioner may not prescribe controlled substances without first registering with the Board of Pharmacy.

NRS 453.226 Requirements for registration; authority of registrant; exemptions and waivers; inspections.

1. Every practitioner or other person who dispenses any controlled substance within this State or who proposes to engage in the dispensing of any controlled substance within this State shall obtain biennially a registration issued by the Board in accordance with its regulations.

As used in the statute, the term “dispense” includes prescribing:

NRS 453.056 “Dispense” defined.

1. “dispense” means to deliver a controlled substance to an ultimate user, patient or research subject by or pursuant to the lawful order of a practitioner, including the prescribing, administering, packaging, labeling or compounding necessary to prepare the substance for that delivery.
Additionally, you should be aware that prescribing without being properly registered is a felony under NRS 453.232: “A person who dispenses a controlled substance without being registered by the Board if required by NRS 453.231 is guilty of a category D felony . . . .”

It is my understanding that you have already stopped prescribing controlled substances. Nonetheless, this letter shall serve as an order to CEASE and DESIST, immediately, that practice. You may not resume that activity until you submit an application to the Board of Pharmacy for a Controlled Substance Registration and such application is approved, if the Board so chooses.

Secondly, this letter shall serve as a CITATION pursuant to NRS 639.2895(2), citing you for practicing without being properly licensed. In association with that citation, the Board is assessing an administrative fine of $2,000.00. You shall pay this administrative fine within thirty (30) days of receipt of this citation. Payment must be by cashier’s check, certified check or money order made payable to the “Nevada State Board of Pharmacy.” Send payment to the Board’s Reno office located at 431 W. Plumb Lane, Reno, NV 89509.

You have the right to appeal this citation. See NRS 639.2895(2). If you choose to appeal, you must submit a written request for a hearing to the Board not later than 30 days after receipt of this Citation.

Please be aware that the forgoing Order and Citation, and any hearing held to review the Citation, if you so request, do not take the place of a hearing before the Board to determine whether the Board will grant your Application for a Controlled Substance Registration.

Feel free to contact me if you have questions.

Best regards,

S. Paul Edwards
