Disciplinary Actions taken against Midwest Veterinary Supply, Inc.

Minnesota Board of Pharmacy

Midwest Veterinary Supply admitted that it took orders for compounded drugs from veterinarians and transmitted the orders to a pharmacy located outside of Minnesota. That pharmacy sold the compounded drugs to the veterinarians without receiving patient-specific prescription, thus making the sales wholesale transactions. The pharmacy was not licensed as a drug wholesaler in Minnesota but was licensed as a pharmacy in Minnesota. Midwest Veterinary Supply received payments for its involvement in these wholesale transactions. Consequently, the Board imposed a \$25,000.00 civil penalty.

Maryland Board of Pharmacy

Midwest Veterinary Supply inadvertently shipped prescription products from their Pennsylvania warehouse to Maryland without holding a license for Maryland from Pennsylvania. Midwest Veterinary Supply was licensed to ship into Maryland from other distribution centers. It was discovered that sales representatives had been placing orders to ship from Pennsylvania to Maryland. Upon discovery, all shipments from the unlicensed facility (Pennsylvania) to Maryland were halted and all previous transactions were immediately reported to the Maryland Board of Pharmacy. Consequently, the Board imposed a \$3,000.00 civil penalty.

CONSENT ORDER

Background

The Maryland Board of Pharmacy (the "Board") received a self-report from Midwest Veterinary Supply, Inc., the Respondent, indicating that it had distributed non-controlled substances into Maryland from its Pennsylvania warehouse without a permit between March 2005 and February 2014. Upon receiving this information, the Board opened an investigation and confirmed the unauthorized distribution of prescription drugs into Maryland by the Respondent.

In lieu of instituting formal proceedings against the Respondent, in accordance with the Maryland Pharmacy Act, Md. Code Ann., Health Occ. § 12-101 *et seq.*, the Board and Respondent have agreed to resolve this matter as set forth in this Consent Order.

FINDINGS OF FACT

1. At all times relevant herein, Respondent's Norristown, Pennsylvania warehouse facility did not hold a distributor's permit in Maryland and was not authorized to distribute prescription drugs into Maryland.
2. Respondent owns another warehouse facility in Sun Prairie, Wisconsin which is duly permitted to distribute both controlled and non-controlled substances into Maryland.

3. On or about June 2014, the Board received a self-report from the Respondent disclosing that the Respondent had distributed non-controlled drugs into Maryland from its Pennsylvania warehouse without a permit from March 2005 through February 2014.
4. The Board's investigation revealed that the Respondent's unauthorized distribution was inadvertent and the result of a lack of administrative diligence.
5. The Respondent has since instituted software adjustments to prevent shipments into states in which the Respondent does not hold a distributor's permit.
6. The Respondent's unauthorized distribution into Maryland totaled approximately \$20,000 in gross sales.
7. The Respondent acted in good faith in filing the self-report and fully cooperated with the Board's investigation.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, the Board concludes that Midwest Veterinary Supply, Inc., is subject to discipline in accordance with Md. Code Ann., Health Occ. §§ 12-6C-11 and COMAR 10.34.22.05A(3).

ORDER

Based upon an affirmative vote of the Board under the authority of Md. Code Ann., Health Occ. § 12-6C-11 and COMAR 10.34.22.05, it this 28th day of October, 2015, hereby,

ORDERED that Midwest Veterinary Supply, Inc., shall pay a FINE in the amount of \$3,000.00, payable to the Maryland Board of Pharmacy within sixty (60) days of the date of this Order; and be it further,

ORDERED that Midwest Veterinary Supply, Inc., shall comply with all statutes and regulations governing the wholesale distribution of prescription drugs and devices into, out of, and within the State of Maryland; and be it further,

ORDERED that this is a formal order and as such is a public document pursuant to Md. Code Ann., General Provisions Art. § 4-333 (2014).

STIPULATION AND
CONSENT ORDER

STIPULATION

Midwest Vet Supply, Inc., ("Midwest" or "Licensee") and the Minnesota Board of Pharmacy Complaint Review Panel ("Review Panel") agree the above-referenced matter may be resolved without trial of any issue or fact as follows:

I.

JURISDICTION

1. The Minnesota Board of Pharmacy ("Board") is authorized pursuant to Minnesota Statutes chapter 151 to register and regulate wholesalers and to take disciplinary action as appropriate.

2. Midwest has been licensed as a non-resident pharmacy in Minnesota since June 13, 1975. As such, Midwest is subject to the jurisdiction of the Board with respect to the matters referred to in this Stipulation and Consent Order.

II.

CONFERENCE

3. On October 23, 2013, Midwest representatives attended a conference with the Review Panel to discuss the allegations described in a Notice of Conference. The Review Panel was composed of Board members Karen Bergrud and Bob Goetz. Bryan D. Huffman, Assistant Attorney General, represented the Review Panel in this matter. Midwest was represented by Amy Schwartz of Lapp, Libra, Thomson, Stoebner & Pusch, CHTD.

III.

FACTS

4. Veterinarians sent Licensee numerous orders for compounded prescription drugs. Licensee transcribed these orders by entering them into an electronic database interface ("EDI"). After entering the orders into the EDI, Licensee transmitted the orders to a business located in New Jersey that is licensed by the Board only as a non-residential pharmacy and not as a drug wholesaler. ("New Jersey Pharmacy").

5. The New Jersey Pharmacy then sold the compounded prescription drugs to the veterinarians without first receiving patient-specific prescriptions, making the sales wholesale transactions, even though it was not licensed as a wholesaler. Licensee received payment from the New Jersey Pharmacy for its participation in these illegal wholesale transactions.

6. As of January 7, 2013, Licensee ceased transmitting orders to the New Jersey Pharmacy.

IV.

ISSUES

7. The Review Panel asserts that the conduct described in section III above constitutes a violation of Minn. Stat. § 151.01, subd. 27(2); Minn. Stat. § 151.06, subd. 1(a)(7)(v) and (ix); and Minn. Stat. § 151.47, subd. 3. as well as Minn. R. 6800.1440, subp. 11 and 6800.2250, subp. 1(H). Accordingly, Licensee and the Review Panel agree to the disciplinary action described in section V below.

V.

DISCIPLINARY ACTION

The parties agree the Board may take the following disciplinary action and require compliance with the following terms:

8. The Board imposes a **CIVIL PENALTY** in the amount of \$25,000 against the license of Midwest for the conduct described in section III above. The civil penalty must be paid by cashier's check or money order made payable to the Minnesota Board of Pharmacy, c/o Cody Wiberg, Executive Director, 2829 University Avenue S.E., Suite 530, Minneapolis, Minnesota 55414, within 60 days of the date of this Order.

VI.

CONSEQUENCES FOR NONCOMPLIANCE OR ADDITIONAL VIOLATIONS

9. If Licensee fails to comply with or violates this Stipulation and Consent Order, the Review Panel may, in its discretion, seek additional discipline either by initiating a contested case proceeding pursuant to Minnesota Statutes chapter 14 or by bringing the matter directly to the Board pursuant to the following procedure:

a. The Review Panel must schedule a hearing before the Board. At least 20 days before the hearing, the Review Panel must mail Licensee a notice of the violation(s) alleged by the Review Panel. In addition, the notice must designate the time and place of the hearing. Within ten days after the notice is mailed, Licensee must submit a written response to the allegations. If Licensee does not submit a timely response to the Board, the allegations may be deemed admitted.

b. The Review Panel, in its discretion, may schedule a conference with Licensee prior to the hearing before the Board to discuss the allegations and to attempt to resolve the allegations through agreement.

c. Prior to the hearing before the Board, the Review Panel and Licensee may submit affidavits and written argument in support of their positions. At the hearing, the Review Panel and Licensee may present oral argument. Argument may not refer to matters outside the record. The evidentiary record must be limited to the affidavits submitted prior to the hearing and this Stipulation and Consent Order. The Review Panel will have the burden of proving by a preponderance of the evidence that a violation has occurred. If Licensee has failed to submit a timely response to the allegations, Licensee may not contest the allegations but may present argument concerning the appropriateness of additional discipline. Licensee waives a hearing before an administrative law judge, discovery, cross-examination of adverse witnesses, and other procedures governing hearings pursuant to Minnesota Statutes chapter 14.

d. Licensee's correction of a violation before the conference, hearing, or meeting of the Board may be taken into account by the Board but will not limit the Board's authority to impose discipline for the violation. A decision by the Review Panel not to seek discipline when it first learns of a violation shall not waive the Review Panel's right to later seek discipline for that violation, either alone or in combination with other violations, at any time while Licensee's registration is in a conditional status.

e. Following the hearing, the Board will deliberate confidentially. If the allegations are not proved, the Board must dismiss the allegations. If a violation is proved, the Board may impose additional discipline, including conditions or limitations on Licensee's future practice or suspension or revocation of Licensee's registration.

f. Nothing herein limits the Review Panel's or the Board's right to temporarily suspend Licensee's license pursuant to Minnesota Statutes section 151.06, subdivision 1(b), based on a violation of this Stipulation and Consent Order or based on conduct of Licensee not specifically referred to herein.

VII.

~~ADDITIONAL INFORMATION~~

10. Licensee waives the contested case hearing and all other procedures before the Board to which Licensee may be entitled under the Minnesota and United States constitutions, statutes, or rules.

11. Licensee waives any claims against the Board, the Minnesota Attorney General, the State of Minnesota, and their agents, employees, and representatives related to the investigation of the conduct herein, or the negotiation or execution of this Stipulation and Consent Order, which may otherwise be available to Licensee.

12. This Stipulation and Consent Order, the files, records, and proceedings associated with this matter will constitute the entire record and may be reviewed by the Board in its consideration of this matter.

13. Either party may seek enforcement of this Stipulation and Consent Order in any appropriate civil court.

14. Licensee has read, understands, and agrees to this Stipulation and Consent Order and has voluntarily signed the Stipulation and Consent Order. Licensee is aware this Stipulation and Consent Order must be approved by the Board before it goes into effect. The Board may either approve the Stipulation and Consent Order as proposed, approve it subject to specified change, or reject it. If the changes are acceptable to Licensee, the Stipulation and Consent Order

will take effect and the order as modified will be issued. If the changes are unacceptable to Licensee or the Board rejects the Stipulation and Consent Order, it will be of no effect except as specified in the following paragraph.

15. Licensee agrees that if the Board rejects this Stipulation and Consent Order or a lesser remedy than indicated in this settlement, and this case comes again before the Board, Licensee will assert no claim that the Board was prejudiced by its review and discussion of this Stipulation and Consent Order or of any records relating to it.

16. This Stipulation and Consent Order does not limit the Board's authority to proceed against Licensee by initiating a contested case hearing or by other appropriate means on the basis of any act, conduct, or admission of Licensee which constitutes grounds for disciplinary action and which is not directly related to the specific facts and circumstances set forth in this document.

VIII.

DATA PRACTICES NOTICES
