Re: Our Client: Emmanuel Biabene
Entity: Ozomor Medical Supplies, Inc.
Purpose: Petition for Reconsideration

Dear Mr. Edwards:

Please be advised that Emmanuel Biabene ("Mr. Biabene") has retained this office in connection with your denial of Ozomor Medical Supplies, Inc.'s application for MDEG licensure. Accordingly, please do not contact Mr. Biabene directly, except for purposes of scheduling inspections. Instead, you should direct any and all future communication regarding this matter to the attention of the undersigned.

In your denial letter, dated August 4, 2016, you state various grounds for the denial of Mr. Biabene’s application for Ozomor’s license, including the fact that Mr. Biabene’s 50 percent partner, Festus Ebonka, is an APRN. Please note that by August 4, 2016, when the Board denied his application, Mr. Biabene owned, and still owns, 100 percent of the shares of Ozomor. Mr. Biabene further denies that he did not address the deficiencies identified by the Board’s inspectors prior to the Board’s decision to deny his application.

In light of the foregoing, please accept this letter as Mr. Biabene’s official petition to the Board for reconsideration of his application. Indeed, Mr. Biabene has taken all corrective measures necessary to cure any and all deficiencies previously identified, and is prepared to submit such evidence to the Board. Mr. Biabene requests the Board to conduct re-inspections of the Ozomor Medical Supplies, Inc. facilities to confirm that these corrective measures have been successfully implemented, and that compliance has been achieved.

Re: Notice of Denial of Application

Dear Mr. Biabene:

As you are aware, on July 20, 2016, the Nevada State Board of Pharmacy (Board) considered and denied your application for either a change of ownership, or a new Nevada Medical Device, Equipment & Gases license, for Ozomor Medical Supplies, Inc. (Ozomor).

The Board denied the application to the extent it sought a change of ownership because Nevada law does not allow for a change of ownership of a MDEG product provider license. See NAC 639.6947. A proposed new owner’s only option is to apply for a new MDEG license.

In light of that regulation, the Board also considered your application as an application for a new MDEG license. It also denied that application. That decision was based in part on your disclosure that fifty percent (50%) of the business would be owned by Festus Ebonka, an Advanced Practice Registered Nurse (APRN). An APRN is a practicing health professional, as that term is defined in NAC 639. 6943(2). The law prohibits the Board from issuing an MDEG license to an entity where a practicing health professional owns or controls ten percent (10%) or more of the facility. NAC 639.6943(1).

Additionally, the Board asked you, as the proposed owner and current operator of Ozomor, to address significant deficiencies found by the Board Inspectors during various visits to your facilities. You were unable to address those deficiencies to the Board Members’ satisfaction.

The Board Members further expressed concerns with the condition of the facility, the condition of the inventory, inadequacies in Ozomor’s records, and the failure by you and the prior owner of Ozomor to notify the Board of an ownership change—which you testified occurred approximately 12 months ago—and to apply for a new MDEG license as required by
NAC 639.6947. Based on the information presented and hearing testimony regarding those prior issues, the Board found various grounds under NRS 639.210 to deny the application.

Therefore, Ozomor Medical Supplies, Inc., does not have a MDEG license. It therefore cannot operate, except to service, maintain, repair or otherwise satisfy the prior outstanding obligations of the business. The business should temporarily continue to meet those servicing, maintenance and report obligations until all patients find new licensed service providers. Without a license, Ozomor cannot do any new business, or take on any new patients.

You have the right under NRS 639.139 to petition the Board for reconsideration of your application if you feel you could present additional evidence that would result in a different outcome. The statute provides in relevant part:

NRS 639.139 Denial of application: Procedure for reconsideration.

1. At any time within 30 days after receipt of the notice of denial of an application, the applicant may petition the Board for reconsideration of the application. The petition must set forth a denial, in whole or in part, of the violations alleged and a statement that the applicant is prepared to submit evidence in support of the denial of the allegations.

   (Emphasis added.)

If you opt to exercise your right to petition the Board for reconsideration, please submit that petition and all supporting evidence you wish to present to the Board’s offices at 431 W. Plumb Lane, Reno, Nevada 89509, within thirty (30) days of receipt of this notice.

Please feel free to contact me if you have questions.
