

IV.

C.J. tendered the prescription to CVS on November 4, 2015. CVS assigned it prescription #1275047, and dispensed the medication that day.

V.

On December 3, 2015, C.J. contacted Russaw indicating that CVS did not dispense mirtazapine to her as prescribed. The label on the prescription bottle indicated that CVS instead dispensed temazepam 30 mg. capsules.

VI.

In an effort to verify C.J.'s complaint, Russaw accessed C.J.'s PMP Patient Utilization Report and found that CVS dispensed temazepam to C.J. on November 4, 2015.

VII.

Russaw never prescribe temazepam for C.J.

VIII.

Russaw next contacted CVS and spoke with pharmacist Chester Dudzik (Mr. Dudzik), who confirmed CVS's November 4, 2015 dispensing error.

IX.

CVS's records show that the error began when pharmaceutical technician Stefanie Wendel entered the data for Prescription NO. 1275047 and inadvertently selected temazepam<sup>1</sup> (Restoril) 30 mg. capsules, rather than the mirtazapine<sup>2</sup> (Remeron) 30 mg. tablets Russaw prescribed.

X.

Ms. Albana failed to detect that the medication in the bottle was not the medication Russaw prescribed and verified temazepam as accurate.

---

<sup>1</sup>Temazepam is a benzodiazepine used to treat insomnia symptoms.

<sup>2</sup>Mirtazapine is an antidepressant used to treat major depressive disorder.

XI.

C.J. accepted counseling, where Ms. Albana again failed to detect that CVS was dispensing the wrong medication.

XII.

During the Board's investigation of this matter, Ms. Albana told the Board Investigator that the scanned image of the prescription is small and that she may have misread the drug name during counseling.

XIII.

C.J. returned the temazepam to CVS on December 4, 2015. She had not ingested any of the wrong medication.

XIV.

CVS replaced the erred medication that same day with the mirtazapine as prescribed.

**FIRST CAUSE OF ACTION**

XV.

NAC 639.945(1)(d) defines unprofessional conduct to include the failure by a licensee to follow strictly the instructions of a prescriber when filling, labeling and dispensing a prescription. Unprofessional conduct also includes performing duties in an "incompetent, unskillful or negligent manner" *See* NAC 639.945(1)(i). Ms. Albana violated NAC 639.945(1)(d) and/or (i) by verifying, labeling and dispensing temazepam 30 mg. capsules to C.J., when her prescriber prescribed mirtazapine 30 mg. tablets.

**SECOND CAUSE OF ACTION**

XVI.

NRS 639.266 requires a pharmacist, on receipt of a prescription and after review of the patient's record, to communicate with the patient, or a person caring for the patient, matters that will enhance the patient's therapy through drugs. NAC 639.707(1) and (2) require that discussion to include, among other things, the name of the drug, dosage and administration

instructions, the intended use of the drug, common side effects, and other information that is necessary for the safe and effective use of the drug. Further, NAC 639.945(1)(i) defines unprofessional conduct to include performing duties in an “incompetent, unskillful or negligent manner” See NAC 639.945(1)(i).

Here, Ms. Albana violated NRS 639.266, NAC 639.707(1) and (2), and NAC 639.945(1)(i), when she failed to adequately counsel C.J. regarding temazepam 30 mg. capsules, which was a new medication to her.

### THIRD CAUSE OF ACTION

#### XVII.

NAC 639.945(2) states that “[t]he owner of any business or facility licensed, certified or registered by the Board is responsible for the acts of all personnel in his or her employ”. Respondent Ms. Albana is CVS’s employee. As such, CVS is responsible for each of the violations alleged herein.

#### XVIII.

The violations alleged above, including in each cause of action, are grounds for discipline against the licenses of Rhowela Albana and or CVS #8789 pursuant to NRS 639.210(4), (11) and/or (12), as well as NRS 639.255.

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificates of registration of these respondents.

Signed this \_\_\_ day of August, 2016.

  
Larry L. Pinson, Pharm.D., Executive Secretary  
Nevada State Board of Pharmacy

**NOTICE TO RESPONDENT**

To do so, you must mail to the Board within 15 days of your receipt of this Notice of Intended Action and Accusation a written statement showing your compliance.

IV.

Failure to complete and file your Notice of Defense with the Board and thereby request a hearing within the time allowed shall constitute a waiver of your right to a hearing in this matter and give cause for the entering of your default to the Notice of Intended Action and Accusation filed herein, unless the Board, in its sole discretion, elects to grant or hold a hearing nonetheless.
