Jim,

If 2:30pm on Wednesday the 6th works for you, I will hold you a spot?

Dave

Hi Dave,

It would be my pleasure to come and present at the next Board meeting. Our community of pharmacists are absolutely essential to the success of stewardship in the state. Wed, Dec 6th would work better on my schedule, as I do not have clinic that day.

Cheers and all the best,

Jim

James,

Thank you for the information. We would love to have you appear in front of the Board, in the hope to raise awareness. Our next meeting is on December 6th and 7th in Reno. Please let me know your availability

Sincerely,

Dave

Importance: High

Dear Dr. Wuest,

Per my discussion with the Board of Pharmacy several months ago, attached may you please find the 2017 adult outpatient empiric prescribing guidelines. We consider this a critical tool to support antimicrobial stewardship in the state of Nevada. We would like to encourage distribution to your membership and welcome any feedback you may have. I am certainly willing to come to the next Board meeting to review this material, however my appearance is at your discretion and request.

Very Respectfully,

James M Wilson V, MD FAAP
