As the managing pharmacist, Ms. Maglaya signed Ms. Rangel’s application to the Board as a pharmaceutical technician in training. Ms. Rangel’s pharmaceutical technician in training registration was issued on March 16, 2016.

Mr. Edwards read that on March 9, 2017, Ms. Maglaya telephoned the Board Office to inform Staff that she recently discovered that Ms. Rangel had falsified her application by indicating that she is a high school graduate or equivalent. Subsequent to the submission of the falsified application and issuance of Ms. Rangel’s pharmaceutical technician in training registration, Ms. Rangel worked at Walmart Pharmacy #10-2617 for approximately one year. On March 13, 2017, Walmart terminated Ms. Rangel’s employment for misrepresenting that she is a high school graduate or equivalent on her application. On March 24, 2017, Ms. Rangel sent a letter to the Board Office to surrender her pharmaceutical technician in training registration.
