To Whom It May Concern:

My name is Paul Yamamoto; I am the Vice President of Shared Services for Leiter's. I am a registered pharmacist licensed in California, Washington, Alabama, Idaho, Kentucky, Maryland, Michigan, Mississippi, Nebraska, Oklahoma, Oregon, Tennessee, Texas, and Virginia, all in good standing. My duties involve all that is required for the day to day management of our outsourcing facility. This includes problem solving, managing employees, systems and technologies. I handle complicated issues with patients and clients. I am involved in the hiring, scheduling, disciplining and payroll processing for all employees. I implement and maintain technological improvements and deal with regulatory affairs both locally and nationally.

In October of 2002 I plead no contest to violations of 11173(A) of the California Safety Code, and 487(B) of the California Penal Code in San Jose, California. They are currently listed as misdemeanor convictions of **obtaining controlled substances by fraud** and **grand theft** on my record. I had obtained controlled substances fraudulently from my employer for personal use. Before the criminal process had concluded, I entered the California Board of Pharmacy's Pharmacist Recovery Program. The Board of Pharmacy suspended my license during the court process then I was placed on probation. I have successfully completed treatment, the Pharmacist Recovery Program and all the terms of my probation. I have maintained my sobriety without incident to this day.

Though I was a practicing pharmacist during my probation and for several years after, my current duties do not require me to fill prescriptions, nor be in contact with controlled substances.

Please contact me if you need further clarification or have concerns.

Thank you,

  
Paul Yamamoto
