Explanation of Circumstances

On the evening of 06/22/2017, I was stopped at a sobriety checkpoint in the city of Vinton, Virginia. At the checkpoint, the officer noticed a scent of cannabis coming from inside my car and asked if I had any marijuana in the car. I said yes, and the officer proceeded to search my vehicle. He located the marijuana and I was told to leave the scene after receiving a summons to appear in court. To clarify, I was stopped while driving my car, but I was not under the influence of any drugs or alcohol. The charge on the court summons was solely for possession of marijuana.

At my first court hearing on 07/19/2017, I pleaded guilty in front of the judge. I was notified by the judge that the court would be lenient because this offense was my first offense. My case was then taken "under advisement" and I was ordered to complete 1 year of probation along with 18 community service hours. In return, after completion of these tasks, the charge for possession of marijuana would be wiped from my permanent record.

Unfortunately, I was unable to complete my probation because I was moving to Philomath, Oregon. Once I knew of my plan to move to Oregon in late January, I called the clerk's office and scheduled a second court hearing on 02/12/2018 to speak to a judge about my case.

At my second court hearing on 02/12/2018, I explained to the judge that I was unable to complete the court's requests because I was moving to the state of Oregon. The judge then reassured me that the marijuana possession charge would stay on my record and I was also ordered to pay a fine in the amount of \$75.

Thank you for taking the time to read my account of the events leading to my possession of marijuana charge. All court costs/fees related this charge have been paid in full. Please let me know if you have any other questions or concerns. I may be reached at _____ or at _____
