Explanation page for questions 1, 2 & 3 for NV State Board of Pharmacy

On December 13, 2013, I was arrested at my clinic (Swanlake Medical Center) and charged with “conspiracy to distribute oxycodone”. I was charged with having written oxycodone prescriptions for some patients that were filled and diverted for sale on the streets.

On December 31, 2014, the Nevada State Board of Medical Examiners revoked my license to practice medicine in the state of Nevada and also issued a public reprimand. This is due to my violation of NRS 630.301(1), conviction of a felony relating to the practice of medicine.

I surrendered my DEA registration and Nevada State Pharmacy licenses.

In September 2014, I was sentenced in federal court to serve 46 months in Taft Correctional Institute, California. I had to shut down my then 16-year old practice and turned myself in to serve my sentence January 16, 2015.

I had my original medical licensure in Nevada since 1998 (license number 8652). I practiced successfully in Nevada until December 2014.

I completed my sentence in Federal prison camp May 18, 2018. I went to a NV Medical Board hearing September 7, 2018, at which time they approved my application for re-licensure. They gave me a new license 18273 with restrictions of “no controlled substance prescriptions” for 24 months. I was also required to have a preceptor for 1 year. Dr. Bernard Addo-Quaye was approved to provide said preceptorship for the required duration.

Dr. Bruce:

On December 5, 2014, the Nevada State Board of Medical Examiners (Board) accepted the Settlement Agreement (Agreement) between you and the Board's Investigative Committee in relation to the formal Complaint filed against you in Case Number 14-12252-1.

In accordance with its acceptance of the Agreement, the Board entered an Order finding you violated Nevada Revised Statute 630.301(1), conviction of a felony relating to the practice of medicine or the ability to practice medicine. For the same, your license to practice medicine in the state of Nevada is revoked, with said revocation stayed until December 31, 2014, when the revocation becomes effective; you shall receive a public reprimand; and comply with the following terms and conditions once released from incarceration: reimburse the Board for the fees and costs of the investigation and prosecution prior to petitioning the Board for reinstatement of your license to practice medicine; submit proof of compliance with CME requirements; submit proof of surrender of your DEA registration and Nevada State Pharmacy license to prescribe Schedule II, III, IV or V controlled substances; and submit proof of attendance and completion of a twenty-four (24) hour ethics course entitled "The PBI Professional Boundaries Course." In the event the Board reinstates your license to practice medicine in the state of Nevada, you shall be placed on probation for a period of three (3) years with an obligation to comply with the terms and conditions of your parole and probation related to the case of *United States of America v. Victor Bruce, MD*, United States District Court, District of Nevada, Case No. 2:13-cr-0041-APG-CWH. Upon receipt of written notice of your completion and compliance with the terms of your probation, the Board shall reinstate your licensure status to active with no conditions/restrictions.

Accordingly, it is my unpleasant duty as President of the Board to formally and publicly reprimand you for your conduct which has brought professional disrespect upon you and which reflects unfavorably upon the medical profession as a whole.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael J. Fischer".

2. Representation by Counsel/Knowing, Willing and Intelligent Agreement.

Respondent is represented by above-identified legal counsel in this matter and has had ample opportunity to review this Agreement, the Complaint in case no. 14-12252-1, the Indictment, the *Judgment in a Criminal Case*, and the related factual basis with regards to the same with said legal counsel, John A. Hunt, Esq. Respondent covenants and agrees that he knowingly, willingly, and intelligently enters into this Agreement.

3. Waiver of Rights. In connection with this Agreement, and the terms, covenants,

and conditions contained herein, and the understanding that Respondent knowingly, willingly, and intelligently waives all rights arising under or pursuant to the United States Constitution, the Constitution of the state of Nevada, NRS Chapter 630, NRS Chapter 233B, and any other statutory rights that may be available to him or that may apply to him in connection with the proceedings on the Complaint in case no. 14-12252-1, the Indictment, the *Judgment in a Criminal Case*, the defense of said Complaint in case no. 14-12252-1, and the adjudication of the charges in said Complaint in case no. 14-12252-1.

In connection with this Agreement, and the terms, covenants, and conditions contained herein, and the understanding that Respondent knowingly, willingly, and intelligently waives all rights arising under or pursuant to the United States Constitution, the Constitution of the state of Nevada, NRS Chapter 630, NRS Chapter 233B, and any other statutory rights that may be available to him or that may apply to him in connection with the proceedings herein and/or any and all matters relating to and any and all matters that may be charged by the Board or the Board's IC by virtue of or in connection with the above-referenced Indictment and/or the above-referenced *Judgment in a Criminal Case*, the defense of the same in this administrative context.

4. Consent to Entry of Order. Respondent concedes only that the Board has

sufficient evidence to proceed with its formal Complaint in case no. 14-12252-1 against him, and that by virtue of the Indictment and/or the *Judgment in a Criminal Case*, the Board also has

1 sufficient evidence to bring additional allegations against Respondent, but does not concede or
2 admit to such allegations, which he expressly denies, and which, but for his desire to reach this
3 compromise, he would contest at a formal hearing of these matters (i.e., the Complaint in case no.
4 14-12252-1 as well as any and all matters that could be alleged by the Board with regards to the
5 Indictment and/or the *Judgment in a Criminal Case*). Accordingly, in order to resolve these
6 matters without incurring further costs and expense of providing a defense to a formal Complaint,
7 Respondent hereby agrees¹ that the Board may issue an order finding that Respondent engaged in
8 conduct that is grounds for discipline pursuant to the MPA, and agrees:

9 a. The Board may find that Respondent engaged in conduct that is grounds for
10 discipline pursuant to the MPA, to wit: conviction of a felony relating to the practice of medicine
11 or the ability to practice medicine, a violation of NRS 630.301(1), as set forth in *Judgment in a*
12 *Criminal Case* and as was alleged in the Indictment;

13 b. Respondent agrees upon adoption of this Agreement, to accept a stayed
14 revocation of his license to practice medicine in the State of Nevada until such time as
15 Respondent allows his license to practice medicine in the State of Nevada to be revoked, effective
16 December 31, 2014. If, during the term of Respondent's stayed revocation, the IC receives
17 substantial evidence that Respondent has materially breached any of the terms and conditions of
18 this Agreement, including but not limited to Respondent violating the prohibition of prescribing
19 any Schedule II, III, IV or V controlled substances, or should Respondent violate any of the terms
20 of his current release until he surrenders to the Federal Bureau of Prisons on January 16, 2015.
21 Respondent agrees the IC, without any further hearing or action by the Board, shall issue an Order
22 Revoking Respondent's license to practice medicine in the State of Nevada. Respondent waives
23 any right to seek judicial review (state or federal) to reinstate his revoked license pending his
24 release from incarceration.

25
26
27 ¹ All admissions made by Respondent are solely for final disposition of this matter and any subsequent related
28 administrative proceedings or civil litigation involving the Board and Respondent. Therefore, said admissions by
Respondent are not intended or made for any other use, such as in the context of another state or federal government
regulatory agency proceeding, state or federal civil or criminal court proceeding, or any other state or federal court
proceeding, or any credentialing or privileges matter.

1 c. Pursuant to NRS 630.352(4)(b) Respondent agrees the Board shall

5 *Criminal Case*, Respondent's may petition the Board to reinstate Respondent's license to
6 practice medicine in the State of Nevada pursuant to the following terms and conditions:

7 i. Pursuant to NRS 622.400, Respondent shall reimburse to the Board
8 the sum of \$ 932.91, the amount of the costs incurred by the Board to
9 investigate and prosecute this matter, along with the costs to conclude the
10 matter, if any. Respondent must pay the reimbursement costs prior to
11 Respondent petitioning the Board for reinstatement of Respondent's license
12 to practice medicine in the State of Nevada;

13
14 ii. Respondent must submit proof that Respondent has complied with
15 required continuing education requirements while incarcerated;

16
17 iii. Respondent must submit proof that Respondent has surrendered his
18 DEA registration and Nevada State Pharmacy license to prescribe any
19 Schedule II, III, IV or V controlled substances.

20
21 iv. Respondent must submit proof that Respondent has attended and
22 completed a twenty-four (24) hour ethics course entitled "The PBI
23 Professional Boundaries Course". However, Respondent agrees attendance
24 and completion of the twenty-four (24) hour ethics course entitled "The PBI
25 Professional Boundaries Course" may not be used by Respondent to fulfill
26 the normal continuing education requirements regarding ethics.

1 e. Pursuant to NRS 630.353(4)(a) in addition to any additional terms the

6 Court, District of Nevada, Case No. 2:13-cr-0041-APG-CWH. Within thirty (30) days of
7 Respondent release, Respondent shall provide a copy of this Agreement to the office of Federal
8 Parole and Probation. Respondent shall also execute any documents necessary authorizing the
9 office of Federal Parole and Probation to release any and all reports generated regarding
10 Respondent's compliance with the terms and conditions of Respondent's federal probation. Once
11 respondent is given written notice of his completion of his probation, Respondent shall submit the
12 written notice to the Investigative Committee. Upon receipt of the written notice of completion
13 of probation and Respondents' completion of the three (3) years of probation the IC shall, without
14 any further action of the Board, authorize an Order reinstating Respondent's license to the status
15 of good standing without restriction. If, during the term of Respondent's probation, the IC
16 receives substantial evidence that Respondent has materially breached the terms and conditions of
17 his probation. Respondent agrees the IC, without any further hearing or action by the Board, shall
18 issue an order suspending Respondent's license to practice medicine in the State of Nevada.
19 Thereafter, Respondent may request a hearing before the Board to reinstate his license which must
20 be heard within forty-five (45) days of the Order of Suspension. However, during the pendency of
21 the hearing before the Board, Respondent waives any right to seek judicial review (state or
22 federal) to reinstate his privilege to practice medicine in the State of Nevada pending a final Board
23 hearing.

24
25 f. Pursuant to NRS 630.353(4)(a), Respondent agrees he shall submit to the
26 Board any and all documentation regarding any of the terms and conditions of parole and
27 probation related to the case of United States of America v. Victor Bruce, MD, United States
28

1 District Court, District of Nevada, Case No. 2:13-cr-0041-APG-CWH upon Respondents' release

5 Complaint in case no. 14-12252-1;

6 h. This Agreement fully and completely resolves all matters that have or may
7 be alleged by the Board or the Board's IC against Respondent with regards to the Indictment
