**Subject:** Sterile compounding

Dear Candy,

My Name is Raef Hamaed. I am the pharmacist in charge at Avrio Pharmacy in Scottsdale Arizona. Our non-resident Pharmacy license in Nevada is PH03822.

We had our sterile lab certified by the Arizona Board of pharmacy and we would like to come before the Nevada Board of Pharmacy to get the approval for our pharmacy to ship sterile preparations to Nevada. We would like to come to the first available meeting if possible.
