5. Discipline

A. Kirash Mirkia, MD

(19-090-CS-S-A)

Brett Kandt prosecuted the case on behalf of the State. Keith Weaver appeared as counsel representing Respondent Kirash Mirkia.

The Board heard oral argument on Respondent's Motion to Dismiss. Mr. Weaver argued that the Nevada statutes are not clear on the authority of APRN's to possess and administer, as demonstrated by the fact that a competitor asking for clarification in the form of an advisory opinion from the Board, and subsequently filed a complaint against Dr. Mirkia that provided the basis for administrative charges, making the action therefor invalid. Mr. Weaver argued that there were no dangerous drugs involved and that the pharmacy from which Dr. Mirkia bought drugs from does not need to be licensed by the Board.

Mr. Kandt responded to the arguments by pointing out that the standard on a motion to dismiss required the Board to accept all factual allegations in the Accusation as true. Mr. Kandt argued that the facts alleged supported the charges, and referenced the specific language of NRS 454.213(1)(c), NRS 454.201 and NAC 639.6915.

Board members ask questions of both attorneys and discussion ensued.

Sophia Long, Deputy Attorney General sitting as Board counsel, advised the Board on the standard for a motion to dismiss.

President Park asked the Board members to consider denying the Motion to Dismiss.

Board Action:

Motion: Richard Tomasso moved to deny the Motion to Dismiss.

Second: Wayne Mitchell

Action: Passed unanimously.

Mr. Kandt and Mr. Weaver stipulated on the record to continue this matter to a future meeting.

B. Victoria Wall, MD

(20-067-CS-S)

Brett Kandt prosecuted the case on behalf of the State. Baron Harmon appeared as counsel representing Respondent Victoria Wall.

Dr. Wall appeared and was sworn by President Park prior to answering questions or offering testimony.

The Board heard oral argument on the prosecution's Motion to Deem the Allegations Admitted and on Respondent's Motion for Continuance. Mr. Kandt argued that the facts were

uncontroverted that on or about May 13, 2009, and during subsequent renewal periods, Dr. Wall requested that her License No. 12154 issued by the Nevada State Board of Medical Examiners (NSBME) be placed on inactive status with an explanation or attestation showing that “you are not practicing or have not practiced medicine in Nevada.” Dr. Wall’s NSBME License No. 12154 to practice in Nevada has been inactive since 2009.

On each renewal application for her Certificate of Registration No. CS15026 for the years 2010, 2012, 2014, 2016, and 2018, Dr. Wall certified to the Board that she held an active and current Nevada license with the NSBME.

Dr. Wall wrote multiple prescriptions for controlled substances from June 2009 to the present while her NSBME License No. 12154 to practice medicine in Nevada was inactive.

On or about June 5, 2020, Board staff served Dr. Wall with an order pursuant to NRS 639.2895(1) to immediately cease and desist prescribing controlled substances for Nevada patients.

On June 14, 2020 Dr. Wall surrendered her DEA Certificate of Registration No. BW8998025 to the U.S. Drug Enforcement Administration by executing a DEA form 104, entitled “Surrender for Cause” (DEA Surrender for Cause).

By executing the DEA Surrender for Cause, Dr. Wall acknowledged in pertinent part the following:

In view of my alleged failure to comply with Federal requirements pertaining to controlled substances or list 1 chemicals, and as an indication of my good faith in desiring to remedy any incorrect or unlawful practices on my part, I hereby surrender for cause my Drug Enforcement Administration (DEA) Certification of Registration.

Ms. Wall’s surrender of her DEA Certificate of Registration No. BW8998025 for cause operated as an immediate suspension of her Certificate of Registration No. CS15026 with the Board pursuant to NRS 639.2107

Mr. Harmon argued that Dr. Wall did not try to willfully deceive the Board. Dr. Wall has completed her continuing education credits for her license. Had she changed her status to active she would have been in compliance with Nevada Law. Mr. Harmon also stated that Dr. Wall was licensed to practice medicine in California during the period in question and that license was in good standing.

Mr. Kandt argued that Dr. Wall had, through counsel, voluntarily surrendered her Certificate of Registration No. CS15026 and is subject to discipline pursuant to NRS 233B.121(6).

Sophia Long stated that should the Board grant the prosecution’s Motion and deem the allegations admitted, Respondent’s Motion for Continuance should be denied.

Mr. Kandt moved to admit Dr. Wall’s Surrender of Cause of her DEA be admitted into the record as Exhibit A. Mr. Harmon had no objection.

President Park admitted into the record Exhibit A.

Mr. Kandt moved to admit into the record Ms. Wall's Notice of Surrender of Controlled Substance Registration with the Nevada Board of Pharmacy as Exhibit B. Mr. Harmon had no objection.

President Park admitted into the record Exhibit B.

Mr. Harmon moved to admit into the record Ms. Wall's Evidence of Good Standing Licensure with the Medical Board of California as Exhibit C. Mr. Kandt had no objection.

President Park admitted Exhibit C into the record.

Mr. Harmon moved to admit into the record Ms. Wall's good standing with the American Board of Ophthalmology as Exhibit D. Mr. Kandt had no objection.

President Park admitted into the record Exhibit D.

Mr. Harmon moved to admit into the record an email from Mr. Harmon to Mr. Kandt dated September 1, 2020, which contains a statement from Dr. Wall as Exhibit E. Mr. Kandt had no objection.

President Park admitted into the record Exhibit E.

Mr. Kandt reiterated in closing that based upon Dr. Wall's responses and judicial admissions, her surrender for cause of her DEA registration and her voluntary surrender of her controlled substance registration, there are no material issues of fact or affirmative defenses, and no basis for a continuance.

President Park swore in Ms. Tustison and Mr. Castro prior to answering questions or offering testimony.

Registered pharmacist Jessica Huey verified as correct the two unauthorized refills. Pursuant to NRS 639.230(5), NAC 639.702, and NAC 639.945(2), Walmart #10-3728 is responsible for each of the above stated allegations.
