## **Partial Waiver of Requirements for Pharmacies to Redistribute COVID-19 Vaccine to Practitioners**

**July 25, 2021**

Due to the COVID-19 pandemic and the urgent necessity to ensure effective implementation of the COVID-19 Vaccination Program in Nevada, the Nevada State Board of Pharmacy has partially waived existing regulations relating to pharmacies redistributing COVID-19 vaccines to practitioners for administration to patients. *See* NAC 639.593.

This partial waiver is being issued in accordance with NAC 639.170.

Under this waiver, the redistribution of COVID-19 vaccines by pharmacies to practitioners for administration to patients under the COVID-19 Vaccination Program, will not be considered a wholesale transaction.

**NOTE:** The Board will not be approving policies, procedures, or technology solutions, but the pharmacy engaged in the COVID-19 Vaccination Program under this waiver should be able to justify how the policies, procedures, or technology meets the requirements of this waiver.

This waiver is in effect until July 20, 2022, unless further extended at a later date.

For questions regarding this partial waiver, please e-mail the Board office at [pharmacy@pharmacy.nv.gov](mailto:pharmacy@pharmacy.nv.gov)
