RE: New Developments at BioRx, LLC d/b/a Diplomat Specialty Infusion Group **PH02621**

Dear Sir or Madam,

Effective February 27, 2017 Diplomat Specialty Infusion Group (Diplomat) located at 10607 & 10611 Aurora Ave, Urbandale, IA 50322 will begin to **dispense sterile compound drugs**. NABP's Verified Pharmacy Program requires 30 days of operations prior to completing a USP Chapter 797 inspection. Should the board require this inspection upon completion, please send notice to licensing@diplomat.is.

Since this is a change in operations, this letter is intended to give notice required by the Board of Pharmacy. Should there be any additional questions or concerns please do not hesitate to contact myself directly at (810) 768-9031.

Best Regards,

Jessica Backmeier
